

A diagram showing a vertical stack of eight identical rectangular sections. Each section is light gray with a black border. The stack is positioned on a thick black horizontal base. To the left of the stack, two vertical dimension lines with arrows at both ends indicate the height of specific sections. The first dimension line spans the height of the fifth section from the top and is labeled '13 ft. (typ.)'. The second dimension line spans the height of the bottom-most section and is labeled '15 ft.'.

13 ft.
(typ.)

15 ft.
